

The Barn wedding venue

Venue Hire

R5500

Includes:

- The Barn – spacious function room with north and south verandas and beautiful views and which is located on the banks of the dam and in the olive grove;
- The cost includes setup of the reception venue – tables and chairs, table cloths, crockery, cutlery and glasses. We would suggest that you set up a long table in the middle of the rustic Barn dressed with our white table cloths, good cutlery and crockery;
- It also includes the setup of the outside ceremony area – with gazebo. Should the weather not provide for this option (wind), we have alternative solutions, i.e. doing the ceremony in The Barn and the reception in our spacious and attractive Manor House dining room which flows onto a wide south facing veranda with views of the Franschhoek mountains;
- The venue hire also includes the use of our free-standing Villa for the dressing of the bride and for a photographic session in the secluded Villa garden by its own private pool where we have done lovely bridal shoot setups in the past;
- Our offer further more includes one night's accommodation for the bridal couple in the Villa with its spacious en-suite master bedroom, private splash pool, garden, lounge, TV area and kitchen.
- Includes access to gardens and groves for photographs. Excludes: chair covers, extra chairs for the ceremony, flowers
